Cedarbrook Information

Both the upper and lower parking lot at Cedarbrook will be open on Saturdays. If you park in the lower lot, please note it can be very wet at the bottom of the driveway. Parking can be limited at time on Saturdays, please do not block the entry/exit.

Please do not park on the street behind Cedarbrook. I know it's convenient to walk on the field from NE 190th, however this is not designated parking for Shorelake and can be a hazard in case of an emergency.
